ENTREPRENEURSHIP**

**INTERNATIONAL BUSINESS**

**MARKETING**

**REAL ESTATE**

**SPORT, EVENT, &  
HOSPITALITY MANAGEMENT**

Only GWSB students may declare these concentrations.

# Who is eligible to switch to new BS majors?

Students graduating Fall 2021 or later

No exceptions will be made

# What should I consider before switching to the new BS?

- The new BS degree requires a grade of C- or higher for all concentration, major, and minor courses.
- If a student earned a D- to D+ in a Major or Concentration course, they must repeat this course and earn a C- or better for it to apply to the new degree; therefore, this is not a good option for students who would need to repeat courses to meet the new requirements.

# How do you switch to the new BS degree?

- Students will complete the GWSB: Petition to Switch to New Bachelor of Science Degree form
  - The form will only be accepted on the Undergraduate Advising Center [forms page](#)!
- Form went live on April 1st
- Deadline to switch is June 15th
- Degrees will be changed between June 15-July 1, 2020

# What do you need to know?

## Majors

- 5 GWSB major options
- Students can have a max of 2 majors
- All majors as 2nd majors are 30 credits (no ACCY as a 2nd major)
  - 18 credits must be completed in residency (includes Study Abroad)
- Each major must have 15 credits of unique courses
- Passing grade is a C- or higher

## Concentrations

- 11 GWSB concentration options
- Max of 3 concentrations
- 15 credits each
  - 9 credits must be completed in residency (includes Study Abroad)
- Only GWSB students can declare a concentration
- No sharing with any other degree requirement (except WID)
- Passing grade is a C- or higher
