UNDERGRADUATE STUDENTS!

LOOKING FOR A COURSE FOR FALL SEMESTER 2008?

CONSIDER

EMPLOYEE RELATIONS & NEGOTIATIONS

MANAGEMENT 117

CRN 52867

Are you interested in a course that stresses interaction and lively discussion in the classroom and less emphasis on lecture?

Do you think you might work overseas --- international business (if so, do you realize that you will most likely confront very different employment relations systems)?

Do you think you have good negotiation skills? Are you sure? Would you like to improve and test your negotiation skills?

Are you interested in learning about employee participation and work teams from different perspectives?

Are you interested in discussing controversial issues concerning work and employment?

Do you think that the utilization of guest speakers and films can enhance your education?

*****Management 117 may be the right course for you!*****
