

## FOREIGN LANGUAGE OR CULTURES REQUIREMENT FOR BBA & BACCY

In our increasingly multicultural society, familiarity with a second language or another culture is important to understanding ourselves in relation to the world. Students must study a second language or other cultures in order to help develop this understanding, to facilitate communication across cultural and national boundaries, and to gain an appreciation for cultural diversity.

Students must take either two semesters (6-8 hours) of the same foreign language **OR** two courses (6 hours) in aspects of foreign, non-English speaking cultures from one or more fields.

- The Foreign Language and Cultures requirement *cannot* be fulfilled by two courses in two different languages, or by one course in a Foreign culture.
- Students who have previously studied a language must take a placement exam and enroll at the level at which they are placed.
- Students who enroll at a lower level will not receive credit for the course. Information on placement exams is available on Department Web sites.

**A. FOREIGN LANGUAGE OPTION:** For the foreign language options, students can choose from the languages below:

**Arabic, Chinese, French, German, Greek, Hebrew, Italian, Japanese, Korean, Latin, Portuguese, Russian, Polish, Spanish, Vietnamese, Yiddish.**
