Keep a notebook of your projects and accomplishments throughout the year for easy reference when preparing for an interview. Write them out as Situation, Action, Results.

Review the “Interviewing” section of the Fowler Career Center website for information and resources on how to approach different types and forms of interviews.

Practice your interviewing skills and become comfortable answering interview questions using Interview Stream.

Participate in a mock interview with a career coach to get specific feedback on your interviewing skills.

Ensure that you have appropriate business attire ready prior to your interview.

Research average starting salaries for your target industry and role using the resources in the “Negotiate” section of the FDFCC website.

Meet with your career coach to discuss your strategy for negotiation.

Speak with your career coach about how to make the most out of your summer internship or entry-level position.

After accepting a job offer, read the book “Your First 90 Days” to learn strategies to help you integrate more quickly into your new role.
