Class Policies

Participation Standards
Your active involvement during class discussions and activities is a key factor in making your overall learning experience a success. Therefore, you will be expected to participate. The following will determine your grade in the participation grade component: quality participation in class discussions as well as prompt attendance. Negative participation (e.g., chatting, personal computing/texting during class, late arrivals and early departures) will also affect your participation grade.

Expected class behavior and etiquette:
1. Be in class on time.
2. Stay in class the entire period outside of breaks, unless it is an emergency.
3. Turn off ALL electronics (e.g., laptop, cell phone) unless indicated.
4. Be well prepared for class, and be prepared to participate.
5. Sit in assigned seats.
6. While beverages are permitted, no food will be allowed in the classroom during the class session.
7. No chatting during the class period.
Attendance Policies
You are expected to attend every class, with attendance taken at the beginning of class. You are allowed to miss two classes (not including your exam and any presentation dates, which are required attendance) during the semester with no penalty assessed to your participation grade. Absences from additional classes will be assessed a three percentage point deduction from your final grade for each class missed. No makeup assignments for absences will be given.

Assignment Policies
Course work must be handed in on the assignment due date by the beginning of class. Presentations must be delivered on the date assigned. Group project details will be reviewed in class.

Communication Policies
I will periodically send emails to you via Blackboard. Please be sure to check the email account which receives blackboard messages on a daily basis.

Other Policies
All examinations, papers and other graded work products and assignments are to be completed in conformance with The George Washington University Code of Academic Integrity. The Code is printed in the Schedule of Classes and can be found on the GW website at http://www.gwu.edu/~ntegrity/code.html. Also, if weather conditions may affect the University class schedule, please call (202) 994-5050 to find out whether classes or cancelled. Alternatively, go to the Campus Advisories link on the homepage of the GW website.

Classroom Emergency Preparedness and Response Information

To Report an Emergency or Suspicious Activity
Call the University Police Department at 202-994-6111 (Foggy Bottom) or 202-242-6111 (Mount Vernon). If the line is unavailable or you are calling from another University location, dial 911.

Shelter in Place – General Guidance
Although it is unlikely that we will ever need to shelter in place, it is helpful to know what to do just in case. No matter where you are on campus, the basic steps of shelter in place will generally remain the same:

- If you are inside, stay where you are unless the building you are in is affected. If it is affected, you should evacuate. If you are outdoors, proceed into the closest GW building or follow instructions from emergency personnel on scene.
- Shelter-in-place in an interior room, above ground level, and with the fewest windows. If sheltering in a room with windows, keep away from the windows. If there is a large group of people inside a particular building, several rooms maybe necessary.
- Shut and lock all windows (locking will form a tighter seal) and close exterior doors.
- Turn off air conditioners, heaters, and fans. Close vents to ventilation systems as you are able. (Facilities staff will turn off ventilation systems as quickly as possible).
- Make a list of the people with you and call the list into UPD so they know where you are sheltering.
- Visit GW Campus Advisories for incident updates http://campusadvisories.gwu.edu or call the GW Information Line 202-994-5050. If possible, turn on a radio or television and listen for further instructions. If your e-mail address or mobile device is registered with Alert DC, check for alert notifications.
- Make yourself comfortable and look after one another. You will get word as soon as it is safe to come out.

Evacuation
An evacuation will be considered if the building we are in is affected or we must move to a location of greater safety.
We will always evacuate if the fire alarm sounds. In the event of an evacuation, please gather your personal belongings quickly (purse, keys, cell phone, GW card, etc.) and proceed to the nearest exit. Do not use the elevator.

Once we have evacuated the building, proceed to our primary rendezvous location (lobby of Duques Hall). In the event that this location is unavailable, we will meet in the lobby of Lerner Health and Wellness Center.

Alert DC
Alert DC provides free notification by e-mail or text message during an emergency. Visit GW Campus Advisories for a link and instructions on how to sign up for alerts pertaining to GW. If you receive an Alert DC notification during class, please share the information immediately.

GW Alert
GW Alert provides popup notification to desktop and laptop computers during an emergency. In the event that we receive an alert to the computer in our classroom, we will follow the instructions given. You are also encouraged to download this application to your personal computer. Visit GW Campus Advisories to learn how.

Additional Information
Additional information about emergency preparedness and response at GW as well as the University's operating status can be found on GW Campus Advisories http://campusadvisories.gwu.edu or by calling the GW Information Line at 202-994-5050.
