Housing

Five Steps

1. Research the neighborhood:
   - Admire the neighborhood’s overall appearance
   - Average commute time to GW’s Foggy Bottom campus
   - Average rent prices
   - Neighborhoods can be found
2. Find a neighborhood:
   - Decide which neighborhood you want to live in
   - Does it matter if you walk, bike, or take public transportation?
   - Will you rent a studio, share an apartment, or live alone?
3. Find a living situation:
   - Renting vs. buying
   - Apartments vs. single family homes
   - What is your budget?
   - Is there a special feature you’re looking for
4. Find a potential accommodation:
   - Leasing vs. buying
   - What are the fees?
   - What is the lease term?
5. Secure your living arrangement:
   - Move in
