

# 10 YEARS OF THE CONSULTING ABROAD PROGRAM (CAP)

CAP is an action-learning international consulting experience in which GMBA candidates work together to find sustainable solutions to business problems faced by client partners around the world.

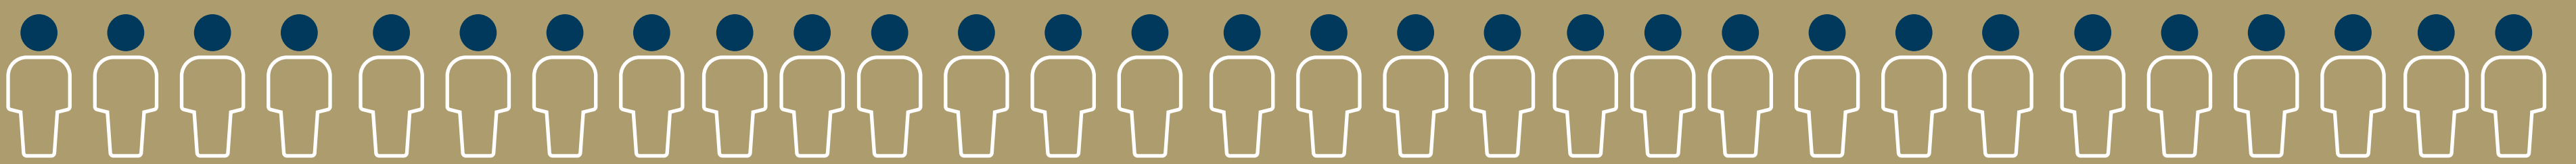

**35+**  
**INDUSTRIES**

**17 COUNTRIES**

**110+**  
**CLIENT PARTNERS**

**1,000+** **STUDENTS**

The benefits of CAP are twofold: Learning to manage a long-distance relationship with a client and gaining experience in adapting and adjusting to the various cultural, environmental, economic and legal differences in the international marketplace."
